

scanfindlist

```
graph LR; A[scanfindlist] --> B[printeventrecord]; B --> C[printevent_short];
```

A flowchart illustrating a sequence of three steps. The first step, 'scanfindlist', is enclosed in a gray rectangular box. A dark blue arrow points from this box to the second step, 'printeventrecord', which is in a white rectangular box with a black border. Another dark blue arrow points from the second box to the third step, 'printevent_short', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.
